

Native New Zealand wetland birds

Scientific name	Common name	Status
Order Podicipediformes		
Grebes – Family Podicipedidae		
<i>Podiceps cristatus</i>		
<i>P. cristatus australis</i>	Australasian crested grebe/kāmana	Native
<i>Poliiocephalus rufopectus</i>	New Zealand dabchick/weiweia	Endemic, threatened
<i>Tachybaptus novaehollandiae</i>		
<i>T. novaehollandiae novaehollandiae</i>	Australasian little grebe	New native
Order Pelecaniformes		
Cormorants and shags – Family Phalacrocoracidae		
<i>Phalacrocorax carbo</i>		
<i>P. carbo novaehollandiae</i>	Black shag/kawau	Native
<i>Phalacrocorax varius</i>		
<i>P. varius varius</i>	Pied shag/kāruhiruhi	Native
<i>Phalacrocorax sulcirostris</i>	Little black shag	Native
<i>Phalacrocorax melanoleucos</i>		
<i>P. melanoleucos brevirostris</i>	Little shag/kawaupaka	Endemic subspecies
Order Ciconiiformes		
Hérons and bitterns – Family Ardeidae		
<i>Ardea novaehollandiae</i>		
<i>A. novaehollandiae novaehollandiae</i>	White-faced heron	Native
<i>Egretta alba</i>		
<i>E. alba modesta</i>	White heron/kōtuku	Native
<i>Egretta sacra</i>		
<i>E. sacra sacra</i>	Reef heron/matuku moana	Native
<i>Nycticorax caledonicus</i>	Nankeen night heron	New native
<i>Botaurus poiciloptilus</i>	Australasian bittern/matuku	Native
<i>Ixobrychus novaezealandiae</i>	New Zealand little bittern	Endemic, extinct

Ibises and spoonbills – Family Threskiornithidae		
<i>Platalea regia</i>	Royal spoonbill/kōtuku-ngutupapa	New native
Order Anseriformes		
Swans, geese and ducks – Family Anatidae		
<i>Cygnus atratus</i>	Black swan	Native (also introduced)
<i>Cnemiornis calcitrans</i>	South Is. goose	Endemic, extinct
<i>Cnemiornis gracilis</i>	North Is. goose	Endemic, extinct
<i>Oxyura vantetsi</i>	New Zealand stiff-tailed duck	Endemic, extinct
<i>Biziura delautouri</i>	New Zealand musk duck	Endemic, extinct
<i>Malacorhynchus scarletti</i>	Scarlett's duck	Endemic, extinct
<i>Tadorna variegata</i>	Paradise shelduck/pūtangitangi	Endemic
<i>Mergus australis</i>	Southern merganser	Endemic, extinct
<i>Chenonetta finschi</i>	Finsch's duck	Endemic, extinct
<i>Hymenolaimus malacorhynchus</i>	Whio/blue duck	Endemic, threatened
<i>Pachyanas chathamica</i>	Chatham Island duck	Chathams endemic, extinct
<i>Anas chlorotis</i>	Brown teal/pāteke	Endemic, threatened
<i>Anas aucklandica</i>	Auckland Island teal	Auckland Is. endemic
<i>Anas nesiotis</i>	Campbell Island teal	Campbell Is. endemic, threatened
<i>Anas gracilis</i>	Grey teal/tētē	Native
<i>Anas superciliosa</i>		
<i>A. superciliosa superciliosa</i>	Grey duck/pārea	Native
<i>Anas rhynchotis</i>	Australasian shoveler/kuruwhengu	Native
<i>Aythya novaeseelandiae</i>	New Zealand scaup/pāpango	Endemic
Order Gruiformes		
Rails, gallinules and coots – Family Rallidae		
<i>Gallirallus philippensis</i>		
<i>G. philippensis assimilis</i>	Banded rail/moho-pererū	Native
<i>Gallirallus dieffenbachii</i>	Dieffenbach's rail/mehoriki	Chathams endemic, extinct
<i>Cabalus modestus</i>	Hutton's rail/mātirakahu	Chathams endemic, extinct
<i>Diaphorapteryx hawkinsi</i>	Hawkin's rail/mehonui	Chathams endemic, extinct
<i>Dryolimnas muelleri</i>	Auckland Island rail	Auckland Is. endemic
<i>Porzana tabuensis</i>	Spotless crane/puweto	Native
<i>Porzana pusilla</i>		

<i>P. pusilla affinis</i>	Marsh crake	Endemic subspecies
<i>Gallinula hodgenorum</i>	Hodgen's waterhen	Endemic, extinct
<i>Porphyrio melanotus</i>	Pūkeko/purple swamphen	Native
<i>Fulica atra</i>		
<i>F. atra australis</i>	Australian coot	New native
<i>Fulica prisca</i>	New Zealand coot	Endemic, extinct
<i>Fulica chathamensis</i>	Chatham Island coot	Chathams endemic, extinct
Order Coraciiformes		
Kingfishers – Family Alcedinidae		
<i>Todiramphus sanctus</i>		
<i>T. sanctus vagans</i>	New Zealand kingfisher	Native
Order Passeriformes		
Old World warblers – Family Sylviidae		
<i>Bowdleria punctata</i>		Endemic
<i>B. punctata vealeae</i>	North Is. fernbird/mātātā	
<i>B. punctata punctata</i>	South Is. fernbird/mātātā	
<i>B. punctata stewartiana</i>	Stewart Is. fernbird/mātātā	Threatened
<i>B. punctata wilsoni</i>	Codfish Is. fernbird/mātātā	Threatened
<i>B. punctata caudata</i>	Snares Is. fernbird/mātātā	
<i>B. rufescens</i>	Chatham Is. fernbird	Endemic, extinct
